St. Edward School has an excellent elementary program for Pre-K3 through 7th grades, as well as an Early Childhood Center focusing on Pre-K1 and Pre-K2.

The school is fully accredited by the Southern Association of Colleges and Schools and is state-approved. Staffed by the Sisters of the Living Word, the Daughters of Our Lady of the Holy Rosary, and certified lay teachers, our school was named by the U.S. Department of Education a **National Blue Ribbon School of Excellence** in 2000-2001, and a **No Child Left Behind Blue Ribbon School** in 2003. Standardized tests,

administered each spring, regularly show that scores by St. Edward students are well above the national percentile.

St. Edward School offers many extra educational opportunities. Students use advanced computer-oriented programs, such as Writing to Read, Accelerated Reading and Accelerated Math, and have access to state-of-the-art computer and science labs. An in-house closed-circuit TV system features a student-run daily news program. Students participate in art, music, foreign language, physical education and sports programs, as well as a wide variety of extracurricular activities and clubs.

The school day runs from 8 a.m. to 3 p.m. For the convenience of working families, an Extended Care Program is offered. Before-school care begins at 7 a.m., and after-care, which includes a homework room, runs until 6 p.m. The fee schedule for this program will be available at registration.
